

KODAK NUSCAN Q500

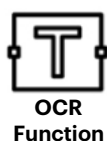

DOCUMENT CAMERA VISUAL PRESENTER

Powerful OCR Text Recognition

The KODAK NUSCAN Q500 Document Camera Visual Presenter is the ideal tool for presentations, image capturing and video recording. With this visual presenter and your computer, you can capture, using fixed-focus, real-time images of 3D Objects, magazines, books, documents, pictures and business cards and present them through a monitor or projector. With the addition of fixed-focus, the unique down-facing lens makes repetitive image capturing, demonstrations, tutorials and lectures comfortable and simple. Along with these great features, you can use the included CamShop software with your NUSCAN Q500 to take snapshots or record videos of just about anything, edit images and videos with the advanced editing tools, plus enjoy the convenience of sharing.

- 5.0 Megapixel CMOS Sensor
- Image Capturing
- OCR Function
- 1D/2D Barcode Scanning
- Video Recording
