# HP P224 21.5-inch Monitor (5QG34U9)

## The amazingly affordable business display

Put more of your content front and center on the HP P224 21.5-inch Monitor. The stylishly modern and sleek profile design delivers essential presentation features and advanced connectivity at a remarkable price point.

#### Crisp image clarity for all your content

Easily navigate your documents and spreadsheets on the ample 21.5-inch diagonal Full HD screen with vibrant 1920 x 1080 resolution and 178° viewing angles.

#### Stylishly redesigned

Complement your modern workspace with a display that has a contemporary look and feel and a 3-sided micro-edge bezel for unlimited sightlines and virtually seamless multi-display[1] setups.

## Versatile connectivity

Quickly connect to your devices and additional displays through the HDMI and DisplayPort™ connectors. Get legacy device compatibility from the VGA connector.

#### **Featuring**

#### Create an efficient workspace.

Attach your HP Desktop Mini, HP Chromebox or select HP Thin Client directly behind the display. Keep things tidy with an integrated power supply. [2]

#### Find your sweet snot

Filter blue light emission and shift colors to a warmer spectrum for more comfortable viewing with HP Low Blue Light mode. Adjust tilt for your best view.

## Place it where you need it

Free up valuable desk space with mounting options enabled by the 100-mm VESA pattern. [3]

#### Complete the picture

Customize a total solution with options designed for your display, like the HP S100 Speaker Bar, which attaches easily to the lower bezel to add stereo audio without the desktop clutter.  $^{[4]}$ 

#### Responsibly made

Energy efficiency and environmental sustainability are built into every ENERGY STAR® and TCO certified, EPEAT® Silver registered, and low halogen display. [5,6]

# **Specifications**
