Anti-Fatigue Portable Standing Mat

Ever experience joint, hips, back, knee, joint and muscle pains? Do you spend hours of your day just standing? Your feet comfort may likely be the root of these issues! Your body is connected and it may not be a direct issue but rather an indirect one. You may even try to subconsciously compensate feet pain with bad posture, leading to other issues. Luckily, our anti-fatigue standing mat provides ample cushioned ease when being used as a standing mats, kitchen chef mats or in other anti-fatigue mat applications. Unlike many mats sold in the market, the Amer EZMAT2218 is made with high quality foam of which retains its shape for many years to come! It also has a built in handle, making it easier for transportation or when you clean the floor. Engineered to be lightweight and portable for your everyday use!

Features:

- Ergonomic foam: stimulates blood circulation, sole support, shock absorbing soft foam for long hours of standing.
- Durable: made with rubberized gel foam to ensure resistant to tears and retention of foam shape.
- Anti slip surface: not only is it comfortable to stand on, but you don't have to worry about yourself or the mat slipping.
- Trip resistant bevel edges: this ensures chairs to be able to roll up the mat with ease with its 18° bevel design. Also reducing the risk of being a tripping hazard.
- Hyophobic surface: the surface can easily be wiped with a damp cloth or vacuummed.
