

Off-the-road relaxation. Premium Hi-Fi stereo for multimedia

Looking for a Bluetooth headset that will give you both crystal-clear conversations and hi-fi stereo audio? Your search is over. The BlueParrott S450-XT puts advanced noise cancelling together with aptX™ audio technology to deliver uncompromised, hear-and-be-heard sound quality. Even in the noisiest environments. Add customizability via our exclusive Parrott Button™, 300 feet of range*, and more than 24 hours/charge for music, movies or calls, and you've got the talk of the Bluetooth stereo world: the BlueParrott S450-XT.

Benefits

- **Blocks out background noise.** 82% noise cancellation.
- **All-day conversations.** Up to 24 hours of talk time.
- **Off-the-road relaxation.** Enjoy music and videos in Hi-Fi stereo.
- **Flexible connection.** Use two cell phones or a phone and a PC at the same time.
- **Wireless or corded.** Connect with a cable or go wireless with Bluetooth.
- **Walk and talk.** Roam up to 300ft from paired Bluetooth devices.
- **Easy to use.** Control music and calls directly from the headset.
