

# KODAK CYBERTABLET F8

8" x 5" Graphic Tablet

## 8192 Pressure Levels

The KODAK Cybertablet F8 is an advanced graphic tablet that offers both PC and Mac users superior cursor control, greater productivity and higher efficiency. Perfect for art, business, presentations, and projects. The Cybertablet features 8192 levels of pressure sensitivity to imitate the subtleties of a brush stroke and other writing tools, while its multiple programmable hot keys provide various shortcuts to commonly used computer tasks. Plus, the drawing area allows increased precision and detail. This high quality graphic tablet is ideal for document annotation, free hand illustrations, graphic design, whiteboard presentations, or generally more precise cursor control.
