

DynamiQ™ Executive Cart

Motorized height-adjustable mobile stand

The DynamiQ Executive Cart provides height-adjustable functionality to maximize mobility with large flat panel displays. The ADA-compliant DynamiQ Executive Cart is a perfect solution for collaborative, multi-use environments that allow users the flexibility they need for team productivity.

The motorized mount, powered by an electric lift, allows the user to raise and lower a single display up to 75" or 254 lbs. The control panel, located on the side of the cart, provides easy access to adjust the height of the display with up to 20" of vertical movement.

The front panels are available in three standard finishes or customized from a large selection of laminate or veneer finishes. A removable back panel provides access to 3RU of vertical rack space and cable management.

FEATURES

- Supports single display up to 75" or 254 lbs. with electric lifting capabilities via control panel
