

With the VisionTek USB-C to USB-A adapter, you can quickly connect your USB Type-A devices to most laptops, tablets and smartphones with a USB Type-C or Thunderbolt 3 port. While most laptops have USB-C ports, most thumb drives, mice, keyboards and peripherals use a standard USB-A port. This small adapter allows for quick connectivity without having to use a large dock or port replicator.

This convenient adapter is ideal for your system at home, work or on the go. Lightweight, metal design is perfect for on the go lifestyles and includes a one year warranty.

PN 901223 | UPC 7 84090 03862 3

NOTE: This adapter is not bi-directional. This adapter converts USB Type-C to USB Type-A only, not vice-versa.

Compatible systems include USB-C or Thunderbolt 3 equipped MacBook Pro 2019/2018/2017, MacBook Air 2018, Dell, Lenovo, or HP laptop.

Plug the USB-C end of the adapter into a USB-C port, and then connect your flash drive or other standard USB-A device. You can sync or charge your phone with this USB-C to USB adapter. Data transfer speed is at the standard of USB 3.0 5Gb/s.
