DURACASE

socket® mobile

For Apple® iPhone 6/7/8/XR/X/Xs Standard, iPhone 6/7/8 Plus, iPhone Xs Max and iPod touch 5th/6th/7th GEN.
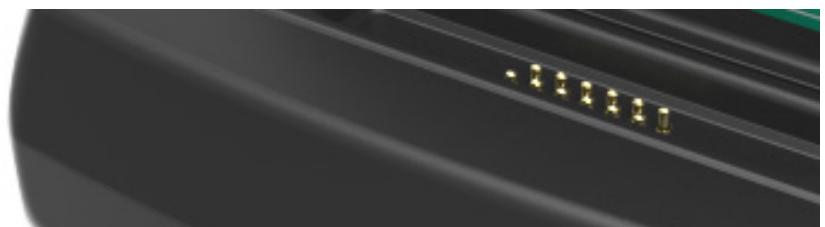

DuraCase - protective sled all in one solution

Drop Protection and Power Integration in one Lightweight Single Handed Solution!

The DuraCase is a protective case combining your iPhone/iPod and SocketScan 800 series scanner into a single solution. It features rubberized material which increases drop protection and durability to both the Apple device and the 800 Series scanner. It shields both devices from scratches and other damaging debris. Ideal for mobile workers who are looking to use a handheld device and a scanner. Developed to charge both the scanner and Apple iPhone in a single-charging design.

Features:

- Available for Apple® iPhone 6/7/8/XR/X/Xs standard or iPhone 6/7/8 plus or iPhone Xs Max or iPod 5th/6th/7th generation
- Combines and protects both your Apple device and 800 Series scanner with a durable Elastomeric (rubber) case
- Integrates connectors from both devices directly into the case for dual charging
- Features magnetic contacts for ease of docking
- Made with antimicrobial material for ease of cleaning and extra protection against potentially harmful microbes
- Designed & made in USA

USB Connector for 800 Series scanner

Lightning Connector for iPhone

DuraCase Charging Adapter

Connect your DuraCase to a Snap-Con™ GDS to Micro USB 2.0 Adapter and charge both the scanner and the handheld device at the same time! Perfect for charging at home or anywhere you go.

*DuraCase Charging Dock

Connect your DuraCase to the GDS® Charging Dock. The exterior docking contacts are specifically engineered for secure docking and charging of both devices in the DuraCase.

*Included with bundle

DuraCase Vehicle Charging Dock

The Vehicle Charging Dock is a mounted charger for the DuraCase that provides users the freedom to charge their scanner and phone while on the go.

Multi-Bay Charger

DuraCase 6 Charge multiple DuraCase devices within a single docking station. This desktop solution is perfect for large offices, conference rooms, vehicle fleets, and other applications requiring mass charging of multiple DuraCases.
