fast charging for 3 hours play

Flexible neckband

Punchy bass

8.6mm powerful speaker drives in a compact design ensure a perfect fit, clear sound and big punchy bass.

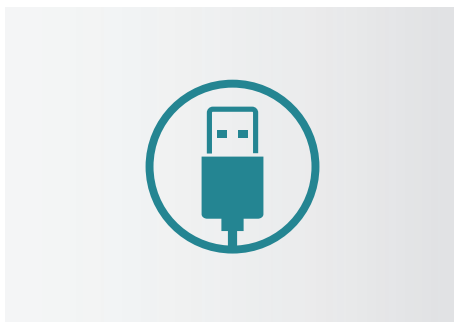

Remote with mic for music and calls control

Built-in microphone and easy-to-use remote control allows you to play or pause tracks and answer or reject calls with a simple push of a button.

Clear calls echo cancellation

Clear conversations with noise cancelling mic. It's filters out background noise for clear calls.

USB charging cable

Included USB charging cable makes it easy to keep your headphones powered up when you need them.

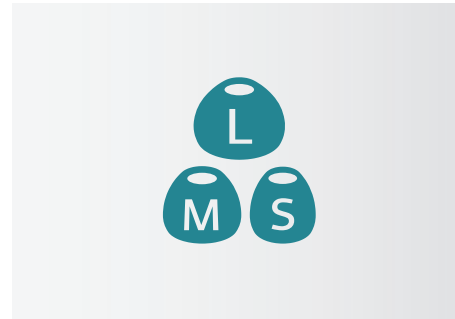

Sound isolation

Closed acoustics design isolates your music from any external sounds, allowing you to enjoy all the fine details and rich bass of the original recording.

Flexible neckband

Let's you wrap your headphone up to take it with you everywhere you go.

3 choices of earcaps

From small to large — so you can select the perfect fit for your ears.

MTRO100BT
