

WORKFIT™

by ergotron®

WorkFit Elevate™

- Integration: Transforms underutilized spaces into productive, active and flexible work environments
- Versatile design: Fits healthcare spaces like clinic exam rooms, nurse stations, physical therapy rooms and waiting rooms, plus corporate office hallways and common areas
- Quick collaboration: Quietly adjusts from sit to stand 8–10 times faster than traditional height-adjustable tables
- Vertical movement: Provides 26" of ergonomic height adjustment, from 22.6" to 48.7"
- Concealed charging: Cables, duplex outlets, and USB connections stay behind the scenes in the powered, 24" version
- Simple wall installation: Arrives fully assembled in one box

ELEVATE YOUR WORK EXPERIENCE

Ergonomists, health and safety professionals, and HR representatives selected the WorkFit Elevate as a winner in the 2019 ErgoExpo Attendees' Choice Awards!

Raise the bar on wellness, productivity and collaboration with the WorkFit Elevate Wall Desk. This modern wall mount reimagines underused spaces as a flexible workstation for individual work or collaboration in healthcare clinic spaces, office common areas, and more. The height-adjustable surface easily adjusts from sit to stand, providing the full BIFMA height range of 26" (66 cm) for comfortable working. The flip-down worksurface opens up even more space, and it arrives fully assembled to make install a breeze.
