

AFS-AT-DC

Dual Display Desk Mount

The AFS-AT-DC is designed to support two displays in a side-by-side or back-to-back configuration. The arms can be independently set to the desired height to ensure perfect display alignment be it identical or different size monitors.

Desk fixing options

Desk Clamp (included)

Traditional two-piece design. Better for retrofit and thicker desks up to 76mm.

Bolt Through (included)

Offers flexibility in mounting position & when attachment to the edge of the desk is not possible.

Grommet Clamp AC-GC (sold separately)

Utilises a grommet hole & allows for heated cable management. Fits grommet holes 60-80mm in diameter.

Accessories

The AFS-AT-DC can be upgraded to carry a mini PC.

Ordering AFS-AT-DC and accessories

AFS-AT-DC consists of the following parts:

AF-AT single display mount
AF-AA accessory arm

Mini PC mounting plate AC-MP
