HP S430c 43.4-inch Curved Ultrawide Monitor (5FW74A8)

Immerse yourself in every detail—even from dual devices—on one boldly beautiful curved display

Lean into luxury with the HP S430c 43.4" Curved Ultrawide Monitor and experience the benefits of two screens in one 43.4" diagonal display. Multi-task between two Windows, MacOS, Linux® Ubuntu or Android™ devices[1] at the same time. Login and conference[2] on the pop-up webcam with IR.

Show and share content from two devices with HP Device Bridge[1]
Control two devices[1] and copy and paste and drag and drop files and data between them with one keyboard and mouse. At the press of a button, view their images side by side, or dedicate the full screen to one device at a time.

All of the screen space, none of the visual disruptions
Tackle your projects with the perks of two 24" diagonal displays, minus distracting bezel breaks and cable clutter on a 43.4" diagonal curved screen with a 32:10 aspect ratio and just one set of connections and cables.

Swap your passwords for biometrics
Login with your face and Windows Hello[3] on our first 43.4" diagonal display with a pop-up webcam with IR. Conference[2] with clear audio on the embedded mic, and retract the webcam back into the bezel to block its view when you're done.

Featuring

Ports for everything
Get flexible device connectivity from DisplayPort™, HDMI, and four USB ports. Use one USB-C™ port for data, video, and up to 65W power delivery to your PC and a second USB-C™ for data, video, and power delivery up to 45W to a second device. [4]

Extraordinary image presentation
Enjoy up to 350 nits brightness for working in a range of light settings and 99% sRGB color accuracy for all of your creative tasks.

Adapt to your space
Raise or lower the display to your preferred viewing position with built-in height adjustment. Free up your desk with mounting options enabled by the 100-mm VESA pattern. [5]

Responsibly made
Energy efficiency is built into every ENERGY STAR® certified, EPEAT® 2019 registered, and low halogen display. We go one step further with 100% recyclable packaging that's easily accepted by recycling facilities. [6,7]

Divide and conquer
Manage your display and make it work for you. HP Display Assistant allows you to quickly resize screen partitions so you can work in separate regions of the screen and helps deter theft by dimming a display that's disconnected without approval.

Specifications

Display size (diagonal)	43.4"
Display type	VA with LED backlight
Aspect ratio	32:10[1]
Native resolution	Dual WUXGA (3840 x 1200 @ 60 Hz)
Resolutions supported	1024 x 768; 1280 x 720; 1280 x 800; 1440 x 900; 1600 x 900; 1680 x 1050; 1920 x 1080; 1920 x 1200; 640 x 480; 720 x 400; 800 x 600; 3840 x 1200
Pixel pitch	0.274 mm
Brightness	350 cd/m²[1]
Contrast ratio	3000:1 static; 5000000:1 dynamic[1]
Response time (typical)	5 ms gray to gray[1]
Minimum dimensions (W x D x H)	105.7 x 14.08x 36.19 cm *(Without stand.)*
Minimum dimensions (W x D x H)	41.61 x 5.54 x 14.24 in *(Without stand.)*
Dimensions With Stand (W x D x H)	105.7 x 25.6 x 49.1 cm
Weight	14.3 kg *(Without stand.)*
Weight	31.53 lb *(Without stand.)*

Messaging Footnotes

[1] Two PCs or a PC and an Android™ device. Compatible with Windows 10, MacOS, Linux® Ubuntu, and Android™ 10 operating systems. Copying files and data with Android™ 10 is only supported one way, from an Android™ device to another OS, not to an Android™ device.

[2] Internet connection required and sold separately.

[3] Windows Hello requires Windows 10. Internet connection required for online logins and sold separately.

[4] Video over USB-C™ requires a PC with USB-C™ DisplayPort™ Alt mode or Thunderbolt™. Power delivery over USB-C™ up to 110 Watts between both ports when used simultaneously, max individual capacity of 65 Watts on either port. Refer to Power Output in product QuickSpecs for exact specifications, PC must be compatible with the display's power output.

[5] Mounting hardware sold separately.

[6] Based on US EPEAT® registration according to IEEE 1680.1-2018 EPEAT®. Status varies by country. Visit www.epeat.net for more information.

[7] External power supplies, power cords, cables and peripherals are not Low Halogen. Service parts obtained after purchase may not be Low Halogen.

Technical Specifications Footnotes

[1] All specifications represent the typical specifications provided by HP's component manufacturers, actual performance may vary either higher or lower.

[3] Lock is sold separately.
