Premium Angle-Flip Security POS Kiosk With Storage Compartment For Tablets

This heavy-duty yet portable enclosure offers exceptional functionality and security for a multitude of different tablet models, making it an invaluable accessory for tradeshows, conference rooms, classrooms, restaurants, and doctor's offices. Your tablet stays protected with the galvanized steel anti-theft cable, which snaps easily onto the case rear locking it shut, and attaches at the other end to any permanent fixture. In addition, this very versatile tablet enclosure has a storage compartment where charging cables, power banks and other accessories can be stored.

Features:

- Heavy-duty locking enclosure
- Tilt & flip function easy to share screen both sides.
- Full access to camera and home button
- The prism base neatly stores your adaptor, power bank or any other device.
