CONNECT. CREATE. COLLABORATE.

FALL/WINTER 2021

We Help You Make an Impact In Your Classroom

Newline creates the campus tools of the future. From interactive flat panels that keep students engaged throughout the lecture, to digital tools that enhance online learning, Newline reinvents student engagement and course communication in a time of remote and blended learning.

Newline Interactive is an award-winning manufacturer of interactive displays, intuitive software, and other interactive innovations that are easy to use and increase content retention in technology aided instruction.

We are a leading provider of software and hardware that helps colleges and universities find more ways to engage their students, train their faculty, and inspire more active learning.

It is your passion to teach. Newline Interactive helps enhance the delivery.

TRANSFORM YOUR
CAMPUS

Newline is a one-stop shop for schools. Our all-in-one solutions and accessories give you all the innovative tools you need.

Newline focuses on creating products that keep your campus running more effectively. From our award-winning and easy-to-use interactive touch panels, to our innovative desktop solution and wide range of software, Newline has everything you need to make in-person and remote instructions easy..

Easy for Anyone to Use

If a solution isn't easy to use, we won't bring it to the market. All of our products are designed with you in mind and it is the key to our success.

Completely Non-Proprietary

We work in your world. No matter what software or hardware you want to use, our solutions give you the freedom to collaborate how you choose.
Distance Learning Flexibility

Whether teaching students remotely, in-person, or in a blended learning environment, Newline's solutions help keep your faculty connected to their students.
Newline is Number 1!

Newline is the largest manufacturer of interactive displays in the United States. Our business model keeps us growing like none other.

"We Help Your School Make an Impact"

We Own the Factory

Newline has complete control over product improvements and how much is produced. We listen to our clients and their needs to make sure the products we provide help them succeed.

Well-Stocked Local Warehouses

With warehouses in strategic places across the country, Newline gets displays to their destination faster than ever with same and next day shipping. You'll never have to worry about if Newline can fill an order.

Q Series

Relevant Connectivity
Connect your laptop and other devices with accessible I/O ports including USB-C with power, HDMI, VGA, Wifi 6, Bluetooth, and more.

Embedded Whiteboard
Make the best use of virtual/hybrid learning with a feature-rich whiteboard. Import docs, images, and videos all into one app.

User Profiles
Customize homescreens by user, class, or subject for your mobile or mounted displays.

Students are learning through various modes and classroom technology must adapt. The Newline Q Series empowers faculty with all in-person and hybrid instruction to meet their student demands. With advanced security, fast processing, and modular accessories—juggling different teaching modes just got a lot easier!

4K Ultra-High Definition	Embedded Android 11.0	WiFi 6 Module	Remote Management	Compatible with all Devices
Antimicrobial Coating	Custom User Profiles	Integrated Pen Tray	Bluetooth Compatibility

65" - TT-6521Q   75" - TT7521Q   86" - TT-8621Q   98" - TT-9821Q

RS+ Series

App Store
Bookmark your top teaching tools by downloading them from the Newline App Store. This curated selection works seamlessly with touch.
Antimicrobial Surface
Protect your students and staff from spreading germs while using the interactive display thanks to the antimicrobial coating on all RS+ Series displays.

Object Recognition
Unintuitive products can slow you down rather than help. The RS+ object recognition makes the writing experience seamless.

Collaborate with your students and access your online teaching tools with ease. The RS+ Series helps you connect with and engage students for the ultimate learning experience. All of your favorite teaching tools are at your fingertips. It's remote, hybrid and in-person learning at it's best.

Advanced Remote Control

Non-touch doesn't mean limited screen control. The provided double-sided remote is equipped with an air mouse and QWERTY keyboard.
Mass Display Management

Save time with pushing out OTA updates, mass notifications, and rotating messages through remote display mangement.

OPS Computer Enabled

Upgrade your digital screen with an optional OPS on-board computer. Unlock exponentially more functionality when conducting class.

Complete your Newline ecosystem with the NT Series. Place the non-touch display solution in your lecture halls, dorms, and admin offices. The commercial-grade design allows the NT Series to run continuously 24/7, just like your campuses. Ensure the highest quality lessons and digital hallway signage with Newline's NT Series non-touch display.

FLEX

Plug & Play Design

BYOD! Plug in your laptop with just one cable and activate touch functionality. Students can start on projects instantly and so can your lessons.

Tilt & Turn 4K Camera

Better illustrate a lesson point with the high-quality camera or use it as a quick document camera.

Capacitive Touch

Accurate P-CAP touch and intuitive response makes it easy to use for small children and adults!
SOFTWARE SOLUTIONS

SOFTWARE TO TRANSFORM HOW YOU TEACH

Newline Interactive software completes the ecosystem and gives faculty more ways to connect with their students and manage the technology.

Built for the modern campus, these solutions allow you to connect with students no matter where they are. Wirelessly cast mobile screens to the display, broadcast content to everyone's devices, whiteboard and collaborate with students in real-time, apply mass notifications and centrally manage all of the displays on your network.

With Newline as the edtech hub of every classroom, all of your lessons are raised to a higher level of communication and student engagement.

All Newline Software Solutions are compatible with:

CAST

Wireless Screen Sharing

√ Easily share your screen from any device.

√ Newline Cast is simple to use, with one click you can teach wirelessly on any network.

√ Control and annotate your screen from the Newline display or from your own device.

√ Activate moderator mode and cast up to 4 screens simultaneously.

BROADCAST

Content Sharing

√ Tap one button and share your display screen with students who may not be able to see the display clearly.

√ They can follow along on their own personal screen.

√ Writing and page navigation is reflected on all devices.

√ Connect from anywhere, even outside of the display's network.

√ Perfect for the Hyflex model

DISPLAY MANAGEMENT PLUS

Remote Management

√ Centrally manage your Newline interactive displays from any location through a secure and dedicated web portal.

√ Easily manage and deploy learning apps and configure Newline display settings.

√ Quickly update firmware and power usgae across campuses.

CAMERAS

Stay Connected to Your Students

Be Hyflex Model ready in a flash by adding a camera to any Newline display. Expand your Newline ecosystem with the Tango, Meet Cam, or Logitech Meetup. An easy-to-install camera instantly prepares you for your impromptu video lessons, project presentations, or immersive lessons. Save yourself from countless hours of research on "the best edtech camera". The best options for your Newline display are right here! Discover the perfect fit for your classrooms:

ON-BOARD COMPUTERS

Plug & Play Computers for Your Display

Support your campus and classrooms with computers that make teaching easier and learning more engaging. Fill your display's OPS slot with an on-board computer powered by Intel that brings you all the power of a desktop computer. No more worrying about cables or going through the steps of connecting a laptop or desktop directly to the display.

OUR SERVICE GUARANTEE

Newline's commitment to quality and your school's success extends past the initial purchase. We provide lifetime service, free training, and world-class technical support as well as a best-in-class warranty.

On Demand Technical Support

Newline provides continuous U.S. based technical phone support, email support through our Helpdesk Ticket System, and remote desktop support. You will always have access to answers at our online support knowledgebase. Proactively find answers, any time, with our completely comprehensive self-help system.

Training Geared for Ease of Use

Protect your technology investment through free training for all teachers and staff. Newline provides quality instructional training opportunities for all staff. The easier our display is for your team to use effectively, the more you can succeed. Newline's resources also include custom training emails to staff, PD training, and more.

Advanced Replacement Warranty

Newline has one of the best warranty programs in the industry. Not only do we provide 3-years of coverage, but it is an all inclusive advanced replacement warranty. That way your progress and productivity is not affected by technology defects.

On Demand Training

Want to give your staff the flexibility they need for training? Newline offers on demand training for all of our customers. Each user gets their own account and may choose which content they want to learn. Our videos are no longer than 5 minutes each.

OUR PARTNERSHIPS

Newline is committed to providing the best user experience possible, which includes partnering with the best technology companies. We are proud to sell innovative products that incorporate their expertise to make interactivity easier than ever!

logitech

Logitech provides camera and microphone options that easily integrate with all of Newline's touch solutions.

CRESTRON

Newline and Crestron have teamed up to bring you the complete solution for your interactive display. Crestron's NVX series pairs well with Newline's IP series displays. In fact, it's Crestron NVX certified!

ClickShare Conference BARCO

Clickshare is an agnostic meeting solution for starting video calls from your laptop, working with all UC clients, and instantly connects to RS+ Series panels.

BalanceBox manual mounts

Adjust your Newline display with BalanceBox's options for wall mounts and mobile stands, some even motorized.

Google

A Bundle for the Virtual World
Google and Newline worked together to create the Newline Chromebox A10, a Google-powered panel accessory.

intel market ready ✓

Powerful On-Board Computers
Newline's X Series is an Intel approved Market Ready Solution that provides customers with an all-in-one videoconferencing solution. Our OPS On-Board Computers come with powerful Intel processors.

ANYWHERECART CLASSROOM SOLUTIONS

The versatile, configurable and durable Anywhere Cart mobile stands provide high quality classroom solutions. Fits up to 86″ Newline displays.

MOORECO

Enhance your Newline interactive touch display with a versatile Mooreco mobile cart solution to provide you mobility.

TEQlease

Provide financing solutions to your Newline customers through TEQlease, giving additional purchasing options.

FlatFrog

FlatFrog's InGlass Technology powers several of Newline displays for a seamless and natural writing experience.

Microsoft

A Bundle for the Virtual World
Microsoft Windows Whiteboard leverages the power of touch to bring lessons and whiteboarding sessions to life..

Free your Newline display from the wall by putting it on one of Conen's several mobile stand options.

SALAMANDER DESIGNS

Find a great, stylish AV setup with Salamander, who create a variety of mounting solutions to hold your display.

peerless-AV®

Peerless-AV provides industry leading fixed mount and mobile stand solutions designed to improve your Newline experience.

T1V

T1V provides a hardware wireless casting solution, along with other multi-touch applications that work with Newline displays.

FROM OUR CUSTOMERS

Mark Baratta
Director
Computing
University of Washington

"People here have found the X7 to be very easy to use—so easy that they often do not need assistance from local technical support. This of course means that those of us doing technical support like the X7 a lot!"

Kelly McClure
Director
Information Technology Services
Eifler Advisory Group

"What Newline does for us is simplify the footprint for instructional technology. I can have one device and that one device does everything that I need. If you're looking to create a smaller footprint in your instructional technology platform, then Newline is absolutely the way to go."
Tim Salm
Director
Robinson Memorial Library
Saint Joseph's College

"In a generation that has grown up with the iPhone and touchscreen technologies, the Newline interactive touchscreen makes sense to students and they respond positively (and intuitively) to it."
Chris Severson
Executive Dean
Education Services
Mid-State Technical College

"Mid-State Technical College is pleased with this product and partnership with Newline. We look forward to growing our relationship and seeing the future possibilities from the company."
