

WindFall Stand for iPad Pro 12.9" 3rd gen

A sturdy, stylish stand for your iPad Pro 12.9-inch.

K67931US

Product Description

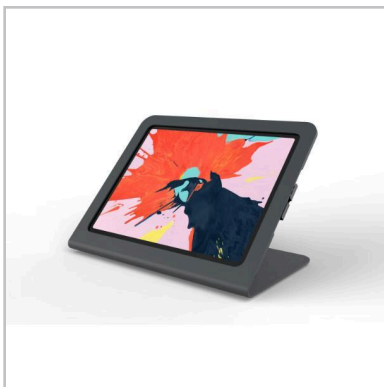

The WindFall® Stand for iPad Pro 12.9-inch (3rd Gen) offers a combination of strong security and elegant, contemporary looks to raise the level of style and interactivity for retail and hospitality spaces. Features include tamper-resistant screws, ClickSafe® and NanoSaver™ lock slots (K64435WW ClickSafe 2.0 Keyed Laptop Lock and K64444WW NanoSaver Keyed Laptop Lock sold separately), and integrated cable management.

Features

- Securely mounts with tamper-resistant screws. Includes ClickSafe® and NanoSaver™ lock slots (ClickSafe and NanoSaver locks sold separately).
- The sturdy stand is cut from high-quality steel and mounts to your iPad Pro 12.9-inch at the perfect angle for interactive use. Scratch and fingerprint-resistant powdercoat finish helps keep it looking great.
- Integrated cable management keeps your iPad Pro 12.9-inch powered throughout the day and eliminates cable clutter for a cleaner point of sale.
