AUE June 2026

Up to 8GB LPDDR4 Memory

Up to 64GB storage

Intel® Gemini Lake R Quad Core N4120 Processor (4M Cache, up to 2.60 GHz)

FEATURES & BENEFITS

- **The electromagnetic resonance [EMR] pen** is included with the Chromebook NL71TW and makes interactive learning intuitive and easy! The 360-degree hinge allows the device to convert to tablet orientation.

- **Convertible and ruggedized design.** Drop resistant and spill-proof, the Chromebook NL71TW and NL71TW-X2 are made to transport from home to the workplace or classroom. The Corning® Gorilla® Glass panel is durable, keeping the screen safe from cracks and scratches. The NL71TW-X2 model includes and added extra protective case to prolong your investment.

- **Bluetooth® 5 provides 4x2 the range** over Bluetooth® 5.0 Low Energy with the same power, doubles the transmit speed, and improves the broadcasting functionality. This translates to better coverage, improved location-based services, and simpler connectivity between devices.

- **Intel® Wireless-AC 9560** is the first wireless solution that provides Gigabit Wi-Fi speeds. When using 160MHz channels, it can deliver up to 1.73Gbps maximum theoretical throughput, nearly 12x faster than baseline 1x1 BGN (150Mbps) Wi-Fi used in today's PCs.
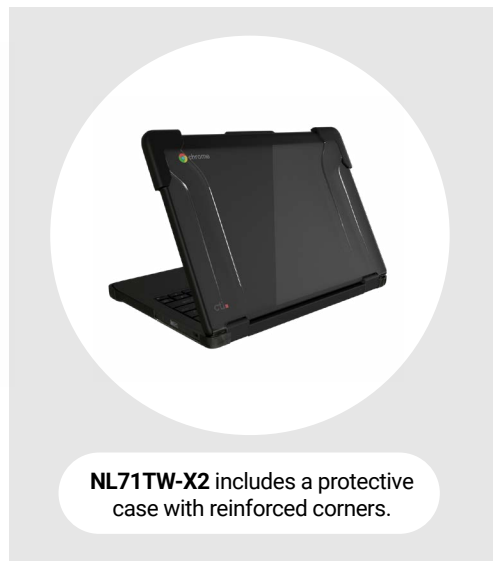

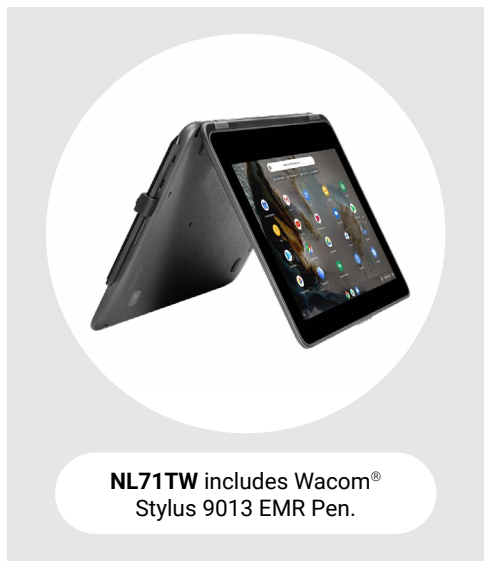

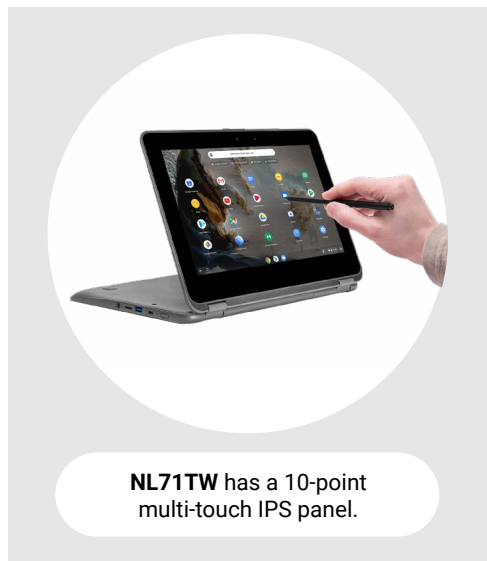

Models: NL71TW, N71TW-X2
