# **HP Chromebook x360 11 G3 EE (1A767UT)**

## The x360 Chromebook built for teaching and learning

Empower students to realize their potential with personalized, interactive, cloud-first[1] learning on the HP Chromebook x360 11 G3 EE. The flexible, durable HP chassis supports every way students learn; the fast-booting Chrome OS is immediately ready and makes management easy.

### Versatile and adaptable to every student learning style

Enable students to learn in their own way with 360°-adjustability into four modes and access to over 200 Android™ and G Suite education apps.[1]

### A Chromebook built to withstand students and school days

Give students a Chromebook that can survive a fall off a desk[5], a splash from a soda[6] or a tugged power cord. It resists spills[6] and attempts to remove keys, has metal-reinforced corners, and is 122 cm[5] drop tested—higher than most desks.

## Classroom-ready performance

Quickly stream and access textbooks, tests, and more with Intel® processors[7] and the Chrome OS. Work continuously with a long battery life and fast recharging. Make it easy to control and manage student interactions with HP Classroom Manager.[8]
