ThinkPad<sup>®</sup> 11e

Lenovo<sup>™</sup>

# ThinkPad<sup>®</sup> 11e

## DURABLE LAPTOP FOR EDUCATION

Engineered to withstand the rigors of the classroom, this 11.6" Windows<sup>®</sup>-based laptop is perfect for on-the-go learning in school and at home. It comes with 8GB DDR4 memory, SSD storage, and is powered by 7<sup>th</sup> Gen Intel<sup>®</sup> Core<sup>™</sup> processors. Built for teachers and students, the ThinkPad<sup>®</sup> 11e laptop has an optional 10-point multitouch display and weighs 1.36 kg or 2.99 lbs, for easy mobility. ThinkPad<sup>®</sup> 11e laptops are tested against 12 military-grade requirements and pass more than 200 durability tests. This tough device is built to withstand bumps and drops from up to 90 cm—about the height of a school desk. What's more, it comes with a long battery life of up to 12 hours\* which means the battery lasts for a full day of classes and more!

\*Based on testing with MobileMark 2014. Battery life varies significantly with settings, usage, & other factors.

## FEATURED ACCESSORIES

### ThinkPad® USB-C Dock (40A90090US)

The ThinkPad® USB-C Dock is a new universal docking solution ensuring a productive workstation. Experience all productivity needs, including video and data with this universal docking solution. Simply connect your laptop or tablet with the dock and boost your productivity in no time.

### Lenovo™ In-Ear Headphones (4XD0J65079)

Comfortable fitting, sound isolating headphones for a crisp and clear listening experience. With 3 unique designs, you can find a fit for any ear. The headphones provide excellent sound from your Think system's 3.5mm audio jack. The inline controls work with a majority of smart phones in the market so in between the office and your home, you can stay in touch and on the go.

### Kensington® Microsaver 2.0 Cable Lock (4XEON80914)

Engineered to be the smallest, strongest lock for laptops and other devices, the MicroSaver DS 2.0 represents the next generation of laptop security. The MicroSaver DS 2.0 was developed using strict specifications, patented technologies,

and rigorous testing against tough environmental conditions, and can stand the test of time in a smaller, compact size without compromise.

## RECOMMENDED SERVICES

Lenovo™ offers a comprehensive portfolio of services to support and protect your ThinkPad® investment—so you can focus on your work, not your IT.

### Premier Support

Bypass phone menus and scripted troubleshooting to access advanced-level technicians with the expertise needed to quickly diagnose and solve problems.

### Accidental Damage Protection (ADP)

Protect your investment from operational or structural damage caused by common accidents like drops, spills, or electrical surges. This fixed-cost, fixed-term protection plan minimizes unexpected repairs for predictable budgeting and provides significant savings relative to the cost of non-covered repairs.

### Warranty Extensions

Get a fixed-term, fixed-price service solution to match the lifecycle of your device and fit within your budget.

Purchasing an extension at the time of a system purchase saves 15-30% over the price of purchasing it post-warranty.
