Don't sacrifice performance for comfort! Get the best of both worlds with The Authentic F.R.E.Q. 2 Gaming Headset. This headset features 40mm audio drivers that deliver rich bass with a wide audio range and a suspension headband that keeps you comfortable even after hours of gameplay.

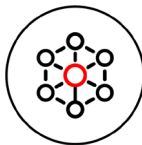

40MM AUDIO DRIVERS

40mm audio drivers deliver rich bass with a wide audio range, without sacrificing sound quality.

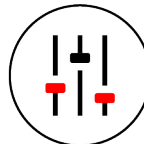

OMNI-DIRECTIONAL MICROPHONE

The omni-directional microphone has greater flexibility of sound pick-up and is easy to store, retracting into the headset.

UNIVERSALLY COMPATIBLE

With a universally compatible 3.5mm audio jack, the F.R.E.Q. 2 is ready to go anytime, anyplace!

IN-LINE CONTROLS

Smart, in-line controls make it easy to adjust game volume or mute the microphone without taking a break from the action.

ERGONOMIC FIT

The suspension headband easily adjusts to fit all head sizes and keeps you comfortable with a foamed leatherette band. Light, polyurethane foam earpads increase sound quality, while reducing stress to the sides of your head.
