Create a mobile, protected &, adjustable workstation for your tablet with CTA Digital's Compact Security Gooseneck Floor Stand for 7-13 Inch Tablets with Sanitizing Station & Automatic Soap Dispenser. This stand is without equal in adjustability, featuring a powerful, flexible gooseneck and a tilting headpiece with easy 360-degree rotation. Customize your workstation further, with the stand's height-adjusting, telescoping pole. The heavy-duty and secured acrylic glove & mask station has two slots for different size gloves and a bigger opening for masks to be hygienically pulled out by customers. The contactless automatic soap/hand sanitizer dispenser is a must have for any business. It dispenses exactly the right amount without any waste, while letting you see when it's time for a refill through its transparent level checker. The included swivel casters attach with ease to the stand base, and can be removed so the stand is attached directly to the ground, giving your stand easy mobility in your office, living room, or retail space. The quick-adjusting tablet holder slides open and secures your 7-13 inch tablet by the corners, leaving ports and buttons fully accessible and protecting your tablet with a powerful lock and key security mechanism.
