

PAD-PARAKWD

Premium Angle-Flip Security Kiosk Stand

for iPad 10.2 (7th Gen), iPad Air 3, iPad Pro 10.5

Premium Angle-Flip Security Kiosk Stand

This beautiful walnut iPad stand is the perfect finishing touch on any rustic or classically themed bar, restaurant, or store. The easy-to-use key lock prevents theft while still allowing easy access to your device, and the carefully designed inner recess and magnetic connectors make installing your tablet an easy process. And never worry about your iPad getting stuck in the wrong position: the precision-engineered “flop” hinge design gives your tablet two perpendicular resting positions, prompting screen reorientation and helping transactions go smoothly. There’s no reason to sacrifice functionality or security for style – you can have all three with this Premium Angle-Flip Security Kiosk Stand for iPad.

Features:

- Keylocking mechanism prevents theft of your device
- Cable management system built in to the base
- Perfect for point of sale or retail use
- Beautiful walnut case looks warm and natural without sacrificing weight or durability
- Finely crafted recess and magnet connectors make installing device a snap
- Carefully engineered “flop” design prompts iPad screen to reorient itself in one of two perpendicular resting positions
- Compatible with iPad 10.2-inch (7th Generation), iPad Air 3, iPad Pro 10.5
