This sturdy and elegant Premium Thin Profile Floor Stand is the perfect ally on the battle against any invisible foe. It is paired with an automatic soap dispenser that works with any type of liquid soaps and sanitizers, stopping germ spreading. This Premium thin Profile Sanitizing Station from CTA Digital makes any office, retail store or grocery store entrance a lot cleaner and safer for its customers. The heavy-duty and secured acrylic glove & mask station has two slots for different size gloves and a bigger opening for masks to be hygienically pulled out by customers. The contact-less automatic soap/hand sanitizer dispenser is a must have for any business. It dispenses exactly the right amount without any waste, while letting you see when it's time for a refill through its transparent level checker. Standing at 48 inches tall, this heavy-duty floor stand is ADA compliant and boasts a weighted base equipped with slip and scratch resistant padding.
