Any Wall Type
Brick, Concrete, or Wood

Tilt Range +10°/-5°

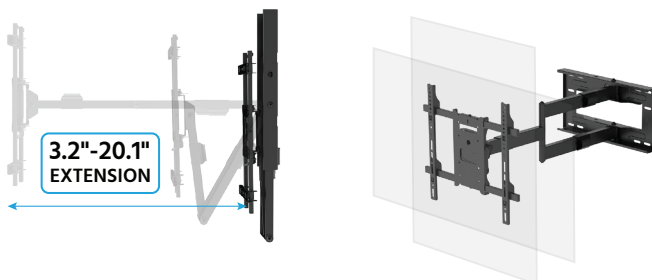

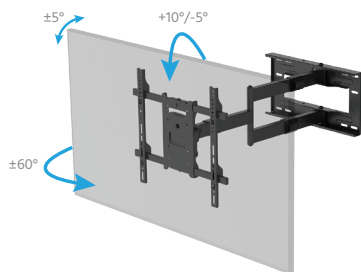

Swivel Range ±60°

Easily position your TV in either landscape or portrait mode using this Landscape/Portrait TV Wall Mount. It supports TVs between 40" ~ 75" and weighing up to 110 pounds. It supports displays with VESA® mounting pattern from 100x100 to 640x400 (400x640 in portrait orientation). It is a fully articulating mount, which means that it can swivel 60° to either side, tilt from +10° to -5°, and rotate ±5°. Additionally, you can push the display in to the wall so it extends only 3.2" or pull it out to the full 20.1" extension, so you can use the full swivel range.

Landscape or Portrait: Install your displays in either a horizontal or vertical orientation, allowing you to present your menu options in a way that best suits your offerings.

Versatile Extension Range: This wall mounts folds flat to a convenient 3.2" from the wall, but can be easily pulled out to the full 20.1" extension, allowing you to use the full swivel range.
