

ASUS ZenBook 14

Unleash your creative vision

14" For Business travelers | Young Professionals

Unleash Your Creative Vision

Creativity. Style. Innovation. These are the qualities that define the elegant new ZenBook 14. Everything in this super-compact masterpiece is designed to give you the freedom to discover your creative vision. You'll appreciate not only the tremendous power within and the thoughtful attention to detail — such as the exclusive ErgoLift hinge and optional NumberPad touchpad — but also the timeless beauty of the design, with its sophisticated Utopia Blue finish enhanced by the stylish silver trim panel. ZenBook 14 is waiting: are you ready to unleash your creative vision?

Powered by Intel® Core™ i7 processor. <https://www.asus.com/Laptops/ZenBook-Series-Home/>

Unbounded beauty with NanoEdge display

Designed to give you more screen area in less physical space, the NanoEdge design has slimmer bezels on all four sides to make any visuals more immersive, with less distraction for your eyes. It also features wide-view technology for clear images even when viewed from extreme angles. And thanks to this super-compact display, ZenBook 14 has a footprint that's as small as many 13-inch laptops — so you can explore your creative vision anywhere!

Power through everyday tasks

Designed to empower your creativity, ZenBook 14 doesn't sacrifice performance for size. It's built to give you all the raw power you need for effortless on-the-go computing. Featuring the latest Intel® Core™ processors, discrete graphics and a full complement of high-quality, high-performance components, ZenBook 14 will never keep you waiting. Whether you're creating complex documents, mining data, retouching photos, editing videos, or simply taking a gaming break, ZenBook 14 lets you do more — and do it quicker.

The ultimate audio experience

To create the astounding quad-speaker sound system in ZenBook 14, the ASUS Golden Ear team worked with renowned home and automotive audio experts Harman Kardon. Two bass speakers and two high-frequency speakers deliver smooth, clear and powerful full-range sound, while smart amplifier technology prevents distortion and speaker damage at high volumes. Together with ASUS SonicMaster technology — a combination of hardware and software fine-tuning — the results are truly astonishing. ZenBook 14 brings you the ultimate audio experience!

ASUS ZenBook 14 (UX431FN)

- **Up to 8th gen Intel® Core™ i7-8565U processor**
- **Windows 10 Pro**
- NVIDIA GeForce MX150 2GB GDDR5 VRAM / Intel® UHD Graphics 620
- 4-sided NanoEdge display with up to 86% screen-to-body ratio
- 14" 16:9 FHD (1920 x 1080) display
- Up to 16G LPDDR3 RAM (2133MHz)
- Ultra-fast up to 1TB SSD
- Exclusive dual-function NumberPad design (optional)
- Fingerprint sensor for fast and secure login (optional)
- Interface: 1 x USB 3.1 gen 1 Type-C port, 1 x USB 3.1 Type A (up to 5 Gbps), 1 x HDMI, 1 x SD Card reader, 1 x Combo audio jack
- **Quad-Speaker with Harman Kardon Audio Technology**
- 2-channel Smart amp for louder sound
- **Dual-band 802.11ac gigabit-class Wi-Fi**
- Built-in Bluetooth™ 5.0
- 10.8 hours of battery life with 47 Whs battery
- Full-size backlit keyboard with 1.4mm key travel distance
- Exclusive colors: Utopia Blue
- Military-grade quality: MIL-STD 810G standard
- 2 years global warranty
