

K380 FOR MAC

Multi-Device *Bluetooth*® Keyboard

MODERN. MINIMALIST. FOR MAC.

The Logitech® K380 Multi-Device *Bluetooth*® keyboard for Mac makes any space minimalist, modern, and multi-device, letting you type on your iPhone®, iPad®, MacBook®, iMac® and more.¹ Connect with up to three *Bluetooth*-enabled devices simultaneously and switch instantly between them. The K380 Multi-Device for Mac is compact and lightweight. You can type on the device of your choice—anywhere. It automatically detects your device, maps keys, and provides a familiar typing experience with all your favorite iOS shortcuts. So you can own your space on any Apple device, anywhere. Two years of battery life virtually eliminates power concerns.² You may even forget the keyboard needs batteries.
