

# Tru-Form Media 1500CB Wireless Ergo Keyboard & Mouse Combo

www.adesso.com

## ■ 2.4 GHz RF Wireless Technology with On/Off Switch

This keyboard and mouse work at any angle with a range of up to 30 ft. with no wires to get tangled. The On/Off switch helps conserve battery power on both devices, plus the low battery indicator helps you know when it is time to change batteries.

## ■ Enhanced Optical Engine

The mouse's enhanced adjustable optical engine of 1000, 1200 & 1600 DPI allows your device to work with improved speed, accuracy, and reliability.

## ■ Ergonomic Vertical Design

The vertical design provides better support for your forearm, minimizing wrist pain that can come from twisting. Our vertical ergonomic model helps you achieve a more natural grip, better support, and natural wrist position. With our sleek design and added support, the Adesso Vertical Ergonomic Mouse is perfect for long hours of use.

## ■ Integrated Palm Rest

Designed to keep your hands in the natural resting position, this not only relieves joint pain and improves posture, but has also been shown to relieve back pain and spinal discomfort.

## ■ Navigation Mouse Buttons

Ergonomically located back and forward buttons for convenient navigation through the internet or media.

## ■ Keyboard Split / Ergonomic Design

The design of this keyboard with splitted key zones and gently sloped shape encourages natural position of hands, wrists, and forearm in maximum comfort for long use.
