

The VisionTek USB-C NVMe M.2 Enclosure allows you to connect your favorite NVMe M.2 SSD to a USB 3.1 system. The tool-less design makes swapping NVMe M.2 SSD drives simple and fast. Compatible with both Windows and Mac systems, the USB-C NVMe M.2 enclosure is ideal for mixed system environments at the office or home. The external drive is powered via the USB-C or Thunderbolt 3 port and does not require additional drivers.

PN 901357 | UPC 7 84090 03991 0

NOTE: This enclosure is for NVMe M.2 SSDs.
This enclosure does not support other M.2 formats.

VisionTek drives offer a quick solution for your computing needs. Our external SSDs work across all operating systems including OS X, Linux and Windows XP, Windows 7, Windows 8, and Windows 10. Each VisionTek housing has been extensively tested with HP, Dell, Lenovo and Mac systems to ensure a wide range of system compatibility.

Key Features
