

4XEM HDMI to VGA Cable Adapter With 3.5mm Audio Cable-6FT

4XEM Part- 4XHDMIVGA6FT

Enhance your connectivity with the 4XEM HDMI to VGA Adapter Cable with 3.5mm Audio Cable. This versatile adapter allows you to effortlessly link your laptop or gaming system, such as a PS4 or Xbox, to an older VGA monitor. Designed for one-way conversion from HDMI to VGA, it ensures a high-quality visual experience with resolutions up to 1080p. The 4XEM HDMI to VGA Adapter is constructed with premium materials, including a PVC jacket and an aluminum-Mylar foil with braid shield. This robust build guarantees durability and dependable performance over the years. The gold-plated connectors enhance signal transmission, while the CMG (General Purpose) fire rating ensures safety. Installation is a breeze thanks to its compact, plug-and-play design, allowing for a quick and hassle-free setup. The adapter includes a 6 ft HDMI to VGA cable, 3 ft 3.5mm audio cable, and 3 ft USB-A cable, with cable diameters of 0.22 inches (5.6 mm) for VGA and 0.12 inches (3.1 mm) for both the 3.5mm and USB-A cables. Save the expense of upgrading your older VGA monitor with our cost-effective HDMI to VGA adapter. With 18 conductors and a sleek black finish, this adapter combines functionality with style.

## Features

- Unidirectional Conversion HDMI to VGA (not VGA to HDMI)
- Supports up to 1080p (1920x1080 @ 60Hz)
- Built-in Audio includes 3.5mm audio cable
- Durable Construction PVC jacket with aluminum-Mylar foil braid shield
- Gold-Plated Connectors
- Plug and Play
- Added Power Option USB-A port for additional power (optional)
- 3 ft cable length, lightweight design

## Compatibility

- Monitors with VGA interface
- Projectors with VGA interface
- Desktops
- Laptops
- Ultrabook
- notebooks
- Intel Nuc
- Macbook
- Macbook Pro
- Raspberry Pi
- Chromebook
- Apple TV.
- Roku
- Cable Box

## Application

- **Cost-Effective Solution:** Save money by using your existing VGA monitor with modern HDMI devices instead of purchasing a new monitor.
- **Added Power Flexibility:** Optional USB-A power support ensures compatibility with devices that require additional power, enhancing overall functionality.
- **Professional Seamless Integration:** Easily connect modern laptops to older VGA projectors or monitors in conference rooms, facilitating presentations and meetings.
- **Enhanced Learning:** Supports high-resolution displays, ensuring clear and detailed visuals for educational content. Ideal for budget-conscious schools, enabling the use of existing VGA monitors with newer HDMI devices.
