

Interactive Play Furniture

Trojan Interactive Play Furniture is classically designed - simple, durable and fun. Doll Beds and Cradles are roomy enough for all doll types.

The Dressup Centre comes with a full length mirror, 6 cubbies for accessories, and a bar for hanging clothing.

The Puppet Stage and Store has multiple uses for presentations & cooperation. Get the desktop version if space is tight.

Trojan's Full Length Mirror assembles in a vertical or horizontal orientation.

Made in Canada. FSC certified.
