This is the ingenious way to position items effortlessly.

The V-Claw™ is an exclusive, specially-designed holder for use with the HygenX™ Vray Sanitizer. Hold the Vray in the position you want over items to be sanitized, without having to hold the unit yourself. The V-Claw™ makes it easy for Vray to sanitize keyboards, laptops, door handles, VR goggles, headphones, odd-shaped and bulky items, and more.

Plus, as a bonus, we are including a smaller clamp to hold your smaller items, too!

The V-Claw™ with its two clamps holds everything from mobile devices, cameras, camcorders and more. Just put a device in the claw and position the arm where you want – the flexible and sturdy claw easily moves to where you want to put it.

V-Claw™'s base is a handy C-clamp to conveniently attach it to a desktop, table, shelf, counter or door.

The gooseneck arm allows for convenient positioning and long enough to put into a sturdy "S" shape, to hold heavier Items.

It has a wide range-of-motion, is lightweight and portable.The V-Claw™ will be your new, go-to helper!
