

ASUS VivoBook S15

Own the spotlight

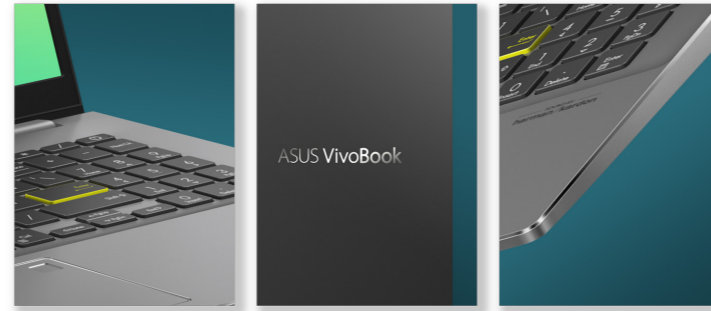

Colors that are true to you

The unique colors of VivoBook S15 buck the trend, providing expressive hues that convey the true you. The colors reflect individuality and self-expression, so you're already breaking boundaries even before you open the lid. Multiple color options includes the Dreamy White, Indie Black, Resolute, and Gaia Green.

Powered by Intel® Core™ i7 Processor.

Dare to be you

Being bold means putting yourself out there, and the sleek VivoBook S15 stands out thanks to its textured metal chassis with diamond-cut edges, unique colors, and color-blocking Enter key. The diamond-cut design also makes it easier for you to open the lid.

Be free from burden

VivoBook S15 keeps you productive and entertained, even on the go. With an overall weight of just 1.8kg and an ultrathin profile, VivoBook S15 simply slips into your backpack so it goes where you go, so get out there and show the world who you are.

5.6mm
thin bezel

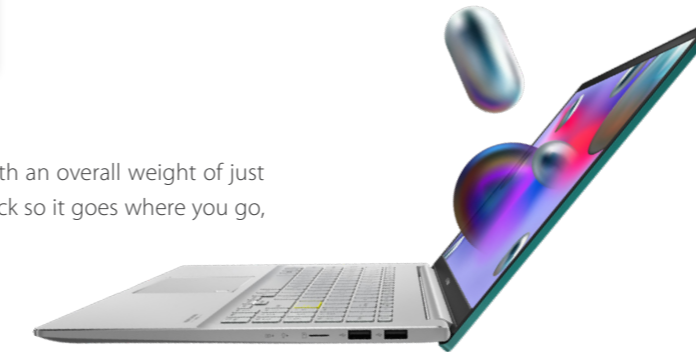

86%
screen to body ratio

Push Boundaries with NanoEdge

The thin bezel NanoEdge display provides you with an immersive viewing experience, and enables a more compact footprint so VivoBook S15 takes up less space on your desk or in your backpack. On top of that, its Full HD display offers wide viewing angles and exceptional color reproduction for truly vivid visuals.

The ultimate performance boost — up to 40%!

Using ASUS Intelligent Performance Technology in Performance mode, an ASUS laptop with an 11th Gen Intel® processor can enjoy a performance boost of up to 40% compared to an ordinary 15-watt performance. Even in the default Balanced mode, performance can be up to 30% better!

ASUS VivoBook S15 (S533)

- Windows 10 Home / Windows 10 Pro
