

Media Production Studio Kit – Deluxe

MPSK-X

The Media Production Studio Kit Deluxe provides the versatility, functionality and unrivaled durability you need to produce high-quality, professional studio results!

Media Production Studio Kit Deluxe Includes:

Includes the On-Air!™ Podcast Kit:

(1) USB Omnidirectional/Cardioid Podcasting Microphone with Desktop Stand

This portable USB Type-C Multi-functional Microphone provides the versatility and flexibility needed to do quality broadcasts, from nearly any location, with clear, rich sound. Compatible with Windows or Mac.

(1) Round Microphone Windscreen/Pop Filter

Provides noise-protection, helping you get better audio recordings. The 360° flexible gooseneck arm allows precise positioning and the swivel mount is easy to install.

(1) Folding Sound Isolation Shield

Makes clean, controlled, and noise-free recordings, reducing unwanted room noise. Compact, portable, lightweight, foldable design. **Includes stand and base for the Isolation Shield.**

(1) SuperFlix™ 720p HD Webcam with Steel-Reinforced Gooseneck Stand

This easy-to-use webcam features a microphone, non-slip base and a bendable gooseneck that allows for positioning in almost any direction and provides excellent voice pick-up and clear recordings. Features 1080x720 resolution, 30 FPS and ¼" HD CMOS imaging sensor. Easy Plug & Play setup – supports both Mac and PC.

(1) ActionPro™ Camcorder (HDV17BK)

This is a full, high-definition 20MP Digital Video Camera that is slim, sleek and easy-to-use. ActionPro™ is the perfect video camera for any age. Features 2.7K HD 2688x1520 resolution, a 30 megapixel, 8.0M CMOS sensor, 18x digital zoom and a rotating 3" IPS screen viewer progressive scan.

(1) External Mic for Camcorders and SLR Cameras (HDV17-MIC)

Easily mounts to camcorders and SLR cameras and is designed to improve sound recording quality with its high performance super-cardioid pickup and dual-head technology for long pickup distances (approx. 12'), NCR Noise Reduction Technology, wide frequency responses, and an external +20dB sensitivity enhancement switch to adapt to different sound intensity.

(1) Octopus Mini-Tripod Camera Stand (TPOD18)

This flexible, highly durable mini-tripod camera stand bends and flexes into any position! With 360° rotation capability, it is the ideal choice and accommodates most cameras. Includes easy-slide adapter for camera and smartphone.

(1) 9' x 60" Green Screen Backdrop Cloth

Perfect for chromakeying (filming in front of a pure-colored screen, typically green then replacing it with any scene or background to achieve special effects). Highly saturated for accurate color-balancing.

(1) I Can Present Editing Software

Powerful editing software with teleprompter, split screen, picture-in-picture, scroll text features, chromakeying and more.

(1) Animate-It! Stop-Motion Editing Software

Capture from any webcam to create stop-motion animations, import audio and video clips, use time-lapse feature, draw shapes, mask, and make titles, subtitles and credits like a pro.

(1) Plastic Carry Case (LCP)

To easily store and transport kit items (not all items fit in the LCP case).
