

AMR1SH

Single Flat Panel Monitor Stand With VESA mounting Support

The AMR1SH monitor stand is built with aluminum alloy designed to support screens up to 26lbs. The monitor mount can perform full 360° screen rotation, tilting angles of $-5^{\circ} \sim +25^{\circ}$ and adjustable height for the perfect ergonomic position. It's lightweight and sleek design will fit in any home or office environment. Compatible with VESA 100x100/75x75 and suitable for monitor sizes 15" to 32".

Key Features

- * Height Adjustment
- * Smart Torque Adjust
- * Integrated Cable Management System
