Description

Macally HD 1080P Webcam with Microphone and Tripod

A WEBCAM FOR ANY SITUATION

As video calls and streams are becoming more popular, it is essential to have an easy to use and high quality webcam. Whether it is for meetings, school, youtube, or a live stream, our web camera will suit your needs.

CAPTURE AND SHARE INCREDIBLE MOMENTS VIRTUALLY

Crystal clear HD 1080p (30FPS) video quality at a 120° viewing angle offers crystal clear video quality and a built-in omnidirectional microphone will immerse you in the conversation.

SETUP IN MINUTES (TRIPOD INCLUDED)

The webcam is plug and play with any laptop or computer with a USB port and compatible with both Mac & PC. Also, you can clip the webcam directly on your monitor or the included tripod via the universal tripod clip.

SEAMLESS COMPATIBILITY WITH POPULAR APPS

This webcam was designed to work with the most popular video calling and streaming apps. This includes Zoom, Skype, Twitch, Facetime, and more. Spend more time video calling and less on the setup.
