Whether you need a sturdy, multifunctional floor stand for healthcare, retail, hospitality, or events, CTA's Mobile Floor Stand holds everything you need. Included in this kit is our bestselling Paragon Premium Locking Enclosure (PAD-PARAW), which provides a secure, sloped tablet mount with enough room underneath to safely hide peripheral power banks or USB hubs. The sturdy base is comprised of five smooth-rolling casters that can be locked in place. The stand includes attachable keyboard tray and handy basket, all easily affixed with included mounting kit. At the rear of the unit, you'll find a useful handle, which aids in simple navigation. Two brackets at the base of the stand provide a safe place to route cables. An adjustment knob lets you set the height of the tablet mount for the comfort of any user.
