

Dual Charging Stand for use with Xbox Wireless Controller (70728)

Reorder Number	70728
Pack Size	1 each Unit
Brand	Verbatim

Charge your controllers quickly and easily with the Verbatim Dual Charging Stand, designed for use with Xbox wireless controllers.

Battery powered controllers are no problem for this charging stand. Use the included rechargeable battery packs to easily convert your controllers from battery-powered to rechargeable, saving you energy and money.

This charging stand easily charges two controllers simultaneously, letting you get back to your game faster. And easily see the charging level of each controller with the LED charging status indicators.

Over-charge protection extends the life of your controllers by stopping charging once the controllers are fully charged. A compact design and included 32 in. charging cable means this stand easily fits into your existing setup.

The Verbatim Dual Charging Stand is backed by a 1-year limited warranty.

Features:

- Charge two Xbox controllers simultaneously*
- Includes rechargeable battery packs to easily convert controllers from battery-powered to rechargeable
- Easily see if controller is ready with LED charging status indicators
- Over-charge protection stops charging when controllers are fully charged
- Included 32 in. / 80cm charging cable allows for flexibility in setup
- 1-year limited warranty

*Controllers not included.
