

# ASUS S500SA

More productivity, less space

## Primed for any task

From daily computing tasks like writing reports or surfing the net, to watching videos or playing games with the kids – S500SA takes it all in its stride. Its latest-generation Intel® Core™ processor and high-speed memory provide fast and responsive performance, while its discrete NVIDIA® graphics card enhances visuals for incredibly-realistic photos and videos.

Powered by Intel® Core™ i7 Processor.

## Immersive entertainment

When it's time to kick back and relax with the family, perhaps by looking through old photos or watching supersmooth 4K UHD movies, S500SA delivers a high-quality, high-performance entertainment experience. You can even fire up the latest games for immersive, lag-free gaming.

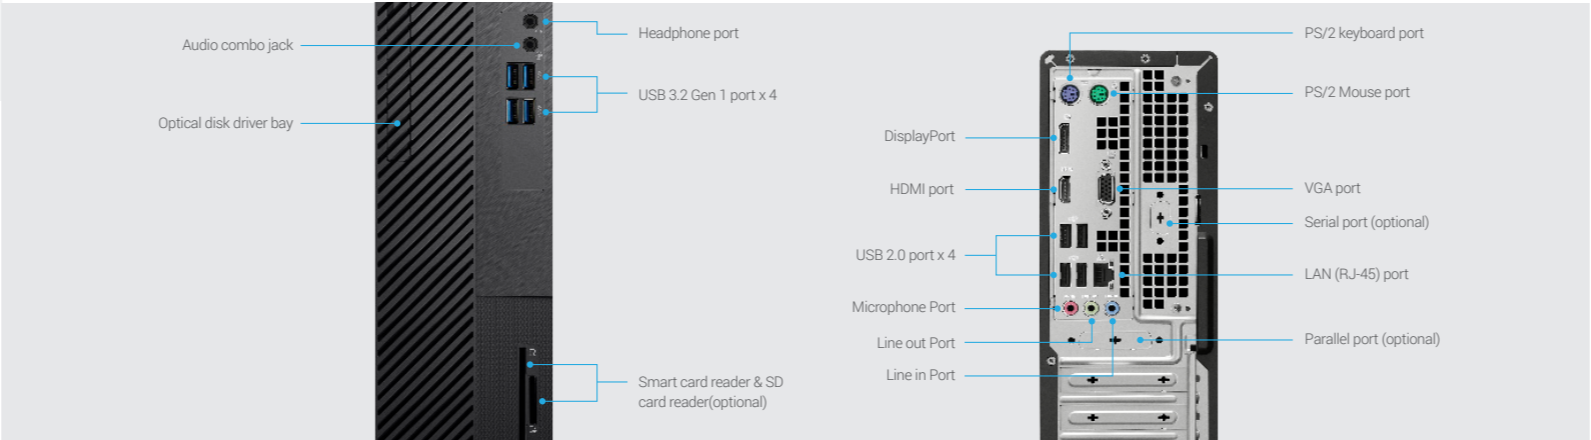

## Dual drives for fast and high-capacity storage

The dual-storage design gives you the best of both worlds: the superfast data-access speeds of an SSD combined with the massive capacity of an HDD. The SSD speeds up your operating system and apps so you can boot up and access files in seconds. And with its high-capacity hard drive, S500SA has more than enough space for all your photo albums, music and movie libraries.

## Fits anywhere, without compromise

With a compact yet mighty design, S500SA is fit for any place in your home. Saving space has never been easier – and nor has keeping your computer clean and ready for the future. The tool-less design means it's quick and easy to access the insides, for hassle-free maintenance and upgrades.

## ASUS S500SA

- Windows 10 Home / Windows 10 Pro
- Up to 10th Gen Intel® Core™ i7 Processor
- Intel® **H410 Chipset**
- Up to **NVIDIA® GT1030** discrete graphics
- Support up to **4K UHD displays** with a resolution of 3840 x 2160 pixels

- Up to **64GB DDR4 2933MHz RAM**
- Up to 2TB PCIe SSD + 3TB HDD dual storage
- WiFi 6 with Gig+ (802.11ax) delivers superfast networking speeds
- 8 x USB, 1 x 20-in-1 Card Reader, 1 x HDMI, 1 x VGA port, 1 x DisplayPort
- **100% enterprise-grade solid capacitors**

## S500SA

CPU	10th Gen Intel® Core™ i7 Processor/ Intel® Core™ i5 Processor/ Intel® Core™ i3 Processor Intel® Pentium® Processor/ Intel® Celeron® Processor
Chipset	Intel® H410 Chipset
