Customize your workspace with CTA Digital's heavy-duty rolling floor stand with standard VESA plate. This ultra-durable stand gives lots of options, starting with a telescoping, height-adjusting pole and 12-inch extender. 5 powerful swivel casters attach to the chrome-plated base, making transport a breeze. When in place, the casters lock in place with an easy foot toggle switch. At the top of the stand is a universal VESA 75 x 75 and 100 x 100-milimeter mounting plate, ready to attach to compatible tablet enclosures or monitor holders. Perfect for public check-in stations, POS kiosks, or use in medical offices, this stand offers exceptional flexibility, adjustability and mobility. For increased functionality, attach work surfaces, baskets, hand sanitizer and other add-on accessories from CTA (not included).
