LIVE 2K HD Ring Light Webcam with Tripod

.....

Connect with colleagues, clients, family and friends in crystal clear HD video and audio. The 2K HD Webcam is Plug-n-Play ready and compatible with all laptops and computers running MacOS and Windows.

Overview:

Aluratek's LIVE 2K HD Ring Light Webcam with Tripod let's you connect with the people you care about with video calling and video recording. The built-in directional noise cancelling microphone with auto low light correction and auto focus allows colleagues, clients, family and friends to see and hear you in crystal clear HD video and audio. AWCL2KFR is Plug-n-Play ready and compatible with all laptops and computers running MacOS and Windows and works with popular video calling clients like Skype, Zoom, WeChat and Google Hangouts.

Features:

- Full 2K HD video calling and video recording (up to 2592x1944 @30fps) - great for webinars, video conferencing, live streaming, vlogging, etc.
- Built-in directional microphone to capture natural sound
- Automatic low light correction adjusts color and brightness for natural lighting even in dim light
- Adjust the ring light up to three different brightness levels among 2 different light colors (warm or white) with just a touch
- Auto focus for a sharp on screen image
- Plug-n-Play USB, no downloads or install of drivers or software
- Built-in tripod mount (Tripod included)
- Adjust the camera eye up to 120 degrees
- Limited 1 Year Warranty

HD Video Conferencing

Video conference, vlog and video record in full 2K HD video and audio with Skype, Zoom, Teams, Google Hangouts and other video calling clients. Features a directional noise cancelling microphone to capture natural sound and a wide 74 degree angle distortion free view

Universally Compatible

The LIVE 2K HD Ring Light Webcam is compatible with all laptops and computers running MacOS and Windows. The adjustable mount will firmly secure your webcam to any screen or monitor or easily place on a table surface using the included tripod.

Adjustable Light / Auto Focus

Adjust the ring light up to three different brightness levels among 2 different light colors (warm or cool) with the touch of your finger for a bright and focused on screen image every time in any lighting environment.

Built-in Tripod Mount

The webcam features a built-in tripod mount on the bottom of the mounting clip that is compatible with tripods and quick release plates with a 6 mm (.25 in.) mount screw. Tripod with adjustable legs is included.

USB Plug-n-Play

Get up and running quickly without having to install drivers or software. Simply connect the webcam to the USB port on your computer to start chatting with your favorite video calling application.
