

The VisionTek 20W USB-C Wall Charger is the perfect charging solution for your USB-C device. It is compatible with most quick charging specs, so you can charge your phone, tablet or other USB-C devices at the fastest possible speed. The 20W max output ensures your device will be ready to go in the shortest time possible. Most USB-A chargers support a max of 4.5W. With the correct cables, you can charge your device up to 4x faster!
