This Medical workstation cart gives you nearly limitless angle-adjustment and all the mobility of a smaller wheeled stand, making it a perfect addition to a nurse's station, doctor's office or lab room. Conveniently equipped with CTA's Paragon Premium Locking Enclosure, this stand comes ready to work.

The enclosure stand's arm is attached to the end of a spacious work surface, perfect for a keyboard, power supply, or other accessories. A dedicated power-strip compartment located underneath ensures that your charging cables stay connected and neatly out of sight. Equipped with a handle in the front and smooth-rolling, heavy-duty locking caster wheels, this medical cart will go anywhere you and your patients need to be.
