

# RAM® Tough-Case™ Holders for Samsung 10" Tablets

This RAM® EZ-Roll'r™ cradle is designed specifically to support various Samsung 10" Galaxy tablets with the RAM® Tough-Case™, including the Tab Active Pro, Tab A 10.1 SM-T510, Tab A7 10.4 SM-T500 and Tab S6 LITE 10.4 SM-P615. The patented RAM® EZ-Roll'r™ design allows you to easily insert the tablet into the holder while keeping it secured in place while on the road. The RAM® Tough-Case™ Holder with fan comes with a built-in cooling fan to prevent overheating of the tablet for long term use. Optional tie-down points are integrated into the holder to allow additional strain relief of the RAM® Tough-Case™ coiled cable.
