

Printer Shelf Add-On

for PAD-PARAF & Mobile Floor Stands (Black)

ADD-PARAPRTB

Printer Shelf Add-On

For whatever application you need to provide a receipt – point of sale, events, trade shows – CTA’s add-on printer shelf provides a secure place to hold your printer – right on your kiosk. This small-but-mighty metal shelf easily mounts to steel Floor Stand Kiosk (PAD-PARAF) via a sturdy bracket. At the back of the shelf, a handy opening allows you to manage cables with ease. Compatible with CTA’s PAD-PARAF family of Premium Locking Floor Stand Kiosks and Mobile Floor Stands.

Features:

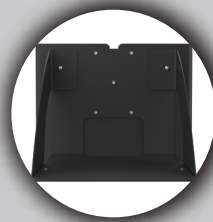

- Durable white metal shelf unit
- Space at the rear of the shelf to manage cables
- Holds most receipt printers (printer not included)
- Compatible with all CTA PAD-PARAF Premium Locking Floor Stand Kiosks
