ASUS **Chromebook Flip** C434

The Best Just Got Better!

The stunning new ASUS Chromebook Flip C434 takes convertible Chromebook design to the next level. Its stylish contemporary looks, compact portability and powerful specifications are all designed to let you get things done with no fuss, all day and every day. ASUS Chromebook Flip C434 features a new four-sided NanoEdge 14-inch display — with ultraslim bezels and an incredible 87% screen-to-body ratio — for a truly immersive viewing experience, and the unique 360° ErgoLift hinge lets you work in supreme comfort. There's a world of apps to explore on the Google Play Store[1]. When only the best is good enough, ASUS Chromebook Flip C434 delivers.

Crafted to perfection

ASUS Chromebook Flip C434 is styled for today, with a precision-crafted all-aluminum chassis finished with elegant diamond-cut anodized edges. Its refined looks are the perfect match for those who appreciate on-the-go versatility combined with peerless design.

The 13" laptop with a 14" display

ASUS Chromebook Flip C434 is not only slim and light, but the new NanoEdge design gives it an ultracompact footprint, so you can enjoy all the benefits of a 14-inch FHD display in a chassis that's as small as many 13-inch laptops.

Unbounded vision with the NanoEdge display

Designed to give you the most screen area in the least physical space, the new four-sided NanoEdge display is simply breathtaking: it makes any visuals more immersive, with less distraction for your eyes. The ultraslim bezels are just 5mm thin[2] at the sides for a near-borderless experience, and the crisp, clear, high-resolution screen gives you a beautiful creative workplace.

Breeze through your tasks all day long

Featuring powerful latest Intel® processors, ASUS Chromebook Flip C434 lets you breeze through all your everyday tasks on the go. The power-efficient ASUS Chromebook Flip C434 is designed to last for up to 10 hours[3] on a single charge, so you can work or play throughout the day while you're on the move.

No-compromise productivity

The best ultraportable laptop deserves an exceptional keyboard. ASUS Chromebook Flip C434 has a full-size backlit keyboard with an impressive 1.4mm key travel, making typing more comfortable and more accurate. Its large touchpad is cleverly engineered for maximum comfort, accuracy and smooth control, incorporating palm-rejection technology and multitouch gesture support.

Faster, more stable Wi-Fi connections

ASUS Chromebook Flip C434 includes Wi-Fi 5 (802.11ac) for strong, stable signals and fast data-transmission speeds. As an added advantage, Wi-Fi 5 (802.11ac) is less prone to interference from other wireless devices operating on the same frequency band.

Application
Explore with Google Play

As well as featuring the best of Google out of the box, ASUS Chromebook gives you full access to the Google Play Store, so you can use all your favorite Android apps for work, play, or creativity.

Security
Built-in security features

With its automatic updates and built-in anti-virus protection, ASUS Chromebook Flip C434 frees you from the worry of keeping your device safe, secure and always up to date.

Management
Stay fast & Seamlessly

Thanks to the seamless cloud integration, you can easily access everything from any device. ASUS Chromebook opens up a whole new world of freedom!
