

The VisionTek USB-C 4-Port USB 3.0 Hub lets you connect up to four USB devices to your system through a single USB-C port.

Durable, everyday charging and data adapter with four USB 3.0 ports. This hub allows for Fast Charge up to 900mA per port support along with data transfer speeds of up to 5 Gbps when connected to a system USB-C port.

USB-C to USB 3.0 Compatible - Charge and sync any USB devices such as mobile devices, external storage, keyboards and mice.

High-Speed USB-C to USB 3.0 Data Hub - Quickly and efficiently charge and backup your devices with up to 5 Gbps data transfer rate.

Quality Assured - Vigorous testing and quality controls ensure each hub and ports work properly. Aluminum housing allows for better heat distribution and durability.

Plug and Play Use - Fully compatible with USB devices allowing you to connect mobile devices, mouse, keyboard, external storage and much more without the hassle of drivers or configuration settings.
