## Key **Features**

- Slim, freestanding design for modern settings
- Exceptional picture quality
- Superb processing power with built-in quad-core media player
- Total remote control with RS232 commands within Local Area Network
- Effortless integrated device and content management

Product **Description**

Uber-sleek and slim, the freestanding ViewSonic EP5542 is the ideal digital ePoster kiosk for high-impact visual messaging. Designed with a scratch-proof glass faceplate for added durability, it delivers unsurpassable visibility regardless of dust or ambient light. The 4K UHD IPS panel is equipped with dual 10W stereo speakers, 178° wide-angle viewing, and 450 nits of brightness, projecting crisp, vivid images and videos to engage the crowd. The EP5542 allows seamless multimedia playback with its embedded Quad-core media player and 16GB worth of internal memory. Made for effortless remote control, manage settings of multiple devices wherever via the vController app integrated with RS232 and LAN command.
