

Lenovo 500e Chromebook GEN 3

Powerful, polished, and perfect for any learning environment, the Lenovo 500e Chromebook Gen 3 is built on the user-friendly Chrome platform and packed with the latest Intel® Celeron® processor. With a battery that lasts up to 10 hours, this device has the power to help students and teachers take learning to the next level, all day, every day.

This lightweight, convertible device is purpose-built to help students and teachers unleash their creativity in and out of the classroom, with features that include a 360-degree hinge and optional garaged USI pen. New Wi-Fi 6 capability means students can now enjoy faster connectivity while researching projects, watching lectures, and sharing documents, while 4G/LTE keeps teachers and students connected to their class wherever their days take them.

Lenovo 500e Chromebook GEN 3

GET CREATIVE

The Lenovo 500e Chromebook Gen 3 comes loaded with features to set teachers and students up for success. A 5MP world-facing camera enables students and teachers to create and share content, while a front-facing camera keeps them connected with each other in more meaningful ways.

HANDS-ON LEARNING

The 11.6-inch HD IPS touch display provides a tactile experience that will captivate the imagination of all learners. Pair that with a 360-degree Sync hinge that enables users to move the device easily from laptop to tablet to tent to stand—making sure learners can use the device how they feel most comfortable. The optional garaged stylus pen frees students to take notes and enables teachers to mark-up papers on screen.

TOUGH TECHNOLOGY

Designed to MIL-SPEC-810H and Lenovo EDU Spec standards, the Lenovo 500e Chromebook Gen 3 features 360-degree rubber bumpers, a CORNING® GORILLA® GLASS display, reinforced ports and hinges, improved mechanically-anchored keys, and impact-tested touchpads so learning won't stop even if the device takes a tumble. Improved water-resistant keyboards (now, up to 360 ml) mean even bigger spills are no match for this machine.

SAFER BY DESIGN

The Lenovo 500e Chromebook Gen 3 is equipped with a front camera privacy shutter that makes it a snap to block the camera, so everyone has peace of mind knowing they're protected from hackers.

*Based on Google Chrome Power_LoadTest, a battery run down test. For more information about Google Chrome Power_LoadTest, visit www.chromium.org. Test results should be used only to compare one product with another and are not a guarantee you will experience the same battery life. Battery life may be significantly less than the test results and varies depending on your product's configuration, software, usage, operating conditions, power management settings and other factors. Maximum battery life will decrease with time and use.

performance

The Lenovo 500e Chromebook Gen 3 features up to the latest Intel® Celeron® processor, up to 64GB internal storage, and integrated Intel® UHD graphics.

productivity

With 10 hours* of battery life, the Lenovo 500e Chromebook Gen 3 keeps you powered-up throughout the school day and into the evening.

connectivity

Wi-Fi 6 provides a faster connection for downloads and video streaming, while optional 4G/LTE keeps the whole class connected—even in areas without Wi-Fi.

optional offerings and services

Lenovo offers a comprehensive portfolio of services to support and protect your investment—so you can focus on education, not IT.

CHROME EDUCATION LICENSE

Enables IT administrators to manage multiple Chrome devices within a centralized, easy, and intuitive software interface. Lenovo is an authorized reseller of Chrome Education license.

G SUITE FOR EDUCATION

Empowers educators and students to learn and innovate together: anywhere, anytime, at any budget. These powerful tools streamline administrative tasks and challenge students to think critically without disrupting existing workflows.

CHROMEBOOK APP HUB

Access apps for every subject and every grade. These apps come with resources and idea starters to help educators plan creative projects that allow students to take the lead in their own education.

ACCIDENTAL DAMAGE PROTECTION (ADP)

Prevents the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops, or damage to the integrated screen.

WARRANTY EXTENSION (1-YEAR BASE, UP TO 3 YEARS TOTAL)

Helps you accurately budget for PC expenses with a fixed-term, fixed-cost service that protects your valuable investment and lowers the cost of ownership over time.

ONSITE WARRANTY

Ensures covered upgrades will be addressed by the next business day. This convenient service keeps your machines and data on school grounds throughout the repair.

accessories

THINKPAD 12-INCH SLEEVE

This fitted sleeve is designed to fit the most recent generation of 12-inch notebooks. It helps to protect the device from dust, shocks, scrapes, and scratches for superior PC protection. The slim, lightweight design also stows easily in a larger bag.

LENOVO USB-C 7-IN-1 HUB

Sleek and compact, this USB-C hub offers one-stop docking with up to seven options. Easily connect to an external 4K display with HDMI and up to three USB-A devices. There are also two SD/TF card readers and USB-C power pass-through.

THINKPAD BLUETOOTH SILENT MOUSE

This mouse features a low-profile, minimalist design, silent buttons, and a blue optical sensor that allows you to work on most surfaces. Effortlessly pair with up to two devices at once and quickly switch between them with the push of a button, thanks to Bluetooth 5.0 and Microsoft Swift Pair technology.

LENOVO 100 STEREO USB HEADSET

This stereo headset features a rotatable boom microphone and passive noise cancellation for clear audio. It is lightweight for all-day wear with comfortable leather and memory-form earcups.
