The Arsenal® 5870 Tool Roll-Up Pouch features 25 pockets for convenient storage and transport of tools. Made of rugged 1680D ballistic polyester, this tool organizer is built for long-lasting use. A carry handle makes for easy on-the-go transport, while durable quick-release buckles prevent accidental opening and spilling of tools when not in use. This tool roll includes ample storage for hand tools and smaller pockets for sockets and other hardware.

Ideal for shop work, including wood working, carpentry, automotive and mechanical. It is also great for hobbyists and weekend DIY projects.
