The Arsenal® 5020 Standard Gear Duffel Bag is easy to carry and helps organize everything you need for the workday or the weekend. Use it as a way to store your equipment on the job, a hunting bag to trek your gear through the woods, or as a carry-on duffel bag while traveling, you can rely on this utility duffel bag to house and protect your valuables.

Available in four sizes to fit your space needs.

DURABLE MATERIAL

This lightweight, yet super durable gear bag is made with 600 denier polyester material to withstand wear and tear for long-lasting performance. It comes in solid black or Realtree Xtra®. Keep your essentials clean and dry with the reinforced water-resistant backing. Easily carry your gear in comfort with the large heavy-duty ribbed webbing handles and the adjustable padded shoulder straps.

ULTIMATE ORGANIZATION

A large open main compartment fits all your gear with easy loading and unloading, so nothing is left behind. There are two accessory pockets with zippers on each side that can hold cell phones, headphones, pens, keys, and other small parts to keep them easily accessible. The interior polyester material of the Realtree Xtra® option is a light tan color which makes it easier to see your gear in the bag, so you can grab what you need and go.

FROM WORKDAY TO WEEKEND

Great for your next outdoor adventure, vacation or visit to the gym. This work bag is not only great for your hauling your gear for the job but can also be used as a weekend bag as well. It's the perfect camo duffel bag for camping, hunting, fishing, canoeing, or any other outdoor activity.
