

ADD-VSLIDE

# Security VESA Plate Slide

## Security VESA Plate Slide

This convenient security VESA Plate Slide is combined by 2-piece brackets. While one is fixed on the wall or flat surface, the other is installed on any tablet enclosure or monitor with compatible 75 x 75 or 100 x 100 VESA standard. The detached design allows quick docking or removal of your device after mounting and protects your device against theft by locking the plates together with two locking screws on the bottom.

### Features:

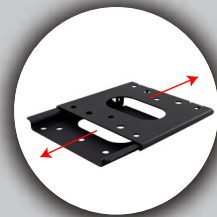

- Quick On/Off detachable VESA Plate Slide
- Anti-theft Design
- Compatible with VESA 75x75 and 100x100 standards

### Specifications:

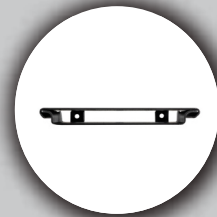

- Dimensions: 5.3 x 5.3 x 0.5"
- Weight: 0.91bs
